

TRINDL REEVES CIC, AAI
Principal
Commercial Department

With nearly 20 years experience in the insurance industry, Trindl Reeves has served as a Principal in Barney & Barney's Commercial Department since 2006. She has a significant background in risk management and health & welfare consulting to publicly traded companies and is responsible for the ongoing growth of the firm in both the San Diego and Orange County offices.

Prior to joining Barney & Barney, Ms. Reeves served as Managing Director of the Marsh San Diego office and formerly held numerous leadership positions during her ten-year tenure there and at Marsh's Orange County office.

Trindl is actively involved on the boards and committees of several local organizations, such as the San Diego County YMCA, the high-tech entrepreneurial group CONNECT, the biotech trade group BIOCOM, and the Financial Executive's International. She serves as the past president of the San Diego Venture Group and is a former board member of the Economic Development Corporation. Trindl is also involved with AeA, Corporate Director's Forum, UCSD Athena and Vistage International. Through her active participation with these organizations, Trindl plays an influential role in the development of both San Diego's business and civic communities.

Trindl earned her Bachelor of Arts degree in Psychology from the University of California, Irvine, and holds the professional designations of Certified Insurance Counselor (CIC) and Accredited Advisor in Insurance (AAI).
